HERBST BROTHERS Inc.

ESTABLISHED 1876

92 WARREN STREET

NEW YORK

September 30, 1932

Gentlemen:

We take pleasure in handing you our September Price List of Flower & Vegetable Seeds available at New York for immediate shipment. Your orders will have prompt attention and be shipped when and how you instruct.

The supply of Bermuda Onion Seed, Yellow and Crystal Wax is very short. We must ask you to consider our quotations strictly subject to change.

It has been necessary to advance a few of our prices namely on Carrots. On the other hand we are making unusually low prices on Mustard Spinach (TENDERGREEN) and Sakata's Foliage Turnip Seed. Both these items are selling unusually well. You should recommend them to the trade. Order now your 1933 crop requirements at contract prices.

If you are users of Cauliflower we want you to give our very superior strains a trial. All we ask is that you let its quality talk.

For your fancy flower seed trade consider Sakata's Petunias.

There are two particularly outstanding florists' strains of

DOUBLE FRINGED GIANTS

TRIUMPHANT tall mixed

VICTORIOUS dwarf mixed

Both strains have repeatedly produced 100% double flowering plants in trials.

The flowers are truly monstrous, well fringed, and the colors well blended.

Free samples are at your disposal.

Yours very truly,

HERBST BROTHERS, INC.
